

LukeCamp Camp Counselor and Mentor
Apply at...
<http://www.thelukeprojectregistration.com>

What we do = The Win!

LukeCamp creates WOW environments to serve children ages 7-14 encouraging them to take the next best step in following Jesus. This is a formative time in their lives and our hope is that God will show them their true identity in Him.

We want to show up for these kids and watch God change the trajectory of a life! Many of these children have not had the opportunity to see the modeling of lives that are exemplary of the hope that comes only through Christ. In a lot of cases, they have experienced abandonment, addiction or imprisonment of loved ones, and poverty. Our goal is to show them, at this critical age, that they are a treasured creation of their Heavenly Father. No matter what they see or experience around them, they are loved and have an incredible future.

LukeCamp consist of a 10 week summer day camp and school break programs that serve Southwest Cobb and West Atlanta where we build meaningful relationships with underserved children. We develop this through team building games, fun activities, daily field trips and group discussions themed around life principles and virtues found in scripture.

Who makes the win possible = You!

LukeCamp is engaging energetic, compassionate and committed individuals to serve as camp counselors and mentors this summer and throughout the school year.

Are you ready to impact a child's life...

Does LukeCamp have a traditional address and location?

Fortunately, No.

Instead, we strategically deploy funds raised directly to the children we serve...see below.

LukeCamp Ministry Model

LukeCamp does not utilize a traditional brick and mortar building. We hire and train amazing staff and then go and serve in underserved communities without the restrictions of being tied to one location. We meet for breakfast each morning with the campers at the Chick-fil-A located off of Cascade Road in Atlanta, GA. Then we depart for our daily field trips on 15-passenger vans for a day of adventure with hands on learning themed around a virtue, set a WOW environment where kids have a ton of fun.

LukeCamp creates opportunities to meet new people and experience different parts of the city. Activities include biking, job exploration, museum tours, community service, hiking, basic life skill classes, visiting parks, budget planning, a week-long overnight trip, crafts, pottery painting, Braves game, a tour of Dobbins Air Force base and more.

When campers return to school, they can access \$0 cost tutoring as well as special enrichment trips that are scheduled when breaks in the school calendar occur.
